

CHILD PASSENGER SAFETY EDUCATION

A properly used and installed car seat can reduce a child's risk of serious and fatal injuries in a crash by up to **80 PERCENT**.

Safe Kids Ventura County, in partnership with Ventura County Fire Department, provides caregivers **FREE car seat education** on proper use and installation of child safety seats.

In-person appointments are held at various locations throughout the County.

To make an **APPOINTMENT**, scan the QR code or visit our website.
